Catering

Algoma U is home to Chartwell's, one of Canada's largest food service providers. Chartwell's has the ability to provide an excellent variety of breakfast, lunch and dinner options and also offers a large variety of snack and refreshment items. Catering is available to groups of all sizes and will be prepared and delivered to the client's request. Chartwell's will work with any budget provided and is able to offer theme and banquet options in a casual or formal setting.

The Cafeteria, which Chartwell's also operates, is open for line service should you wish to have your group have the option of walk up service. Prices reflect client needs.

Technology Support

Algoma U is known for its advanced technical services and provides the latest in computer equipment, audio-visual aids, and classroom technology. Internet access is available to the entire university, with most of the campus having wireless capabilities.

All larger meetings spaces come equipped with audio visual equipment, podiums and internet access. Algoma U also possesses portable equipment which can be set up in any meeting area.

There are accessible computer labs which have the ability to seat up to 50 participants at individual work stations which allow for instructor presentation and interaction. These computers may be configured to deliver your software applications.

Algoma U also has several audio and video conferencing options which provide the ability to have speakers and communication with anyone in the world.

Algoma U has trained staff that assist with equipment and presentation set up or can remain with your group throughout the activity to provide on site support.

The George Leach Centre (Athletics and Recreation)

The George Leach Centre is Sault Ste. Marie's largest facility to host your convention or trade show. With 36,000 sq. ft. available we can host large scale events ranging from concerts, social gatherings, athletic events and business fairs.

The area can be divided to allow for group flexibility and the facility has all available amenities such as meeting areas, change rooms, and office space. The area also has wireless capabilities for your internet needs.

The George Leach Centre provides a great space to hold team building exercises, physical activity opportunities, or social events. We could provide your company with fitness services such as training and testing and we offer a special corporate membership package.

Average cost is about \$30 per hour per court or \$90 per hour for the entire facility.*

Residence

Available in summer months, our Spirit Village Residence features a 45-bed dormitory style building and 76 beds in 15 townhouse style units. All facilities are located on campus. The dormitory has individual bedrooms, one shared bathroom for every two rooms, and a common living room. The townhouse style units each offer 5 private bedrooms with individual keys, two bathrooms, a common living room area and a fully equipped kitchen. Bedding, towels and cleaning service are provided. One full handicap service suite and 3 handicap bedrooms in the dormitory with elevator access are also available.

Guests can take advantage of the university's cafeteria and catering services or use the fully equipped kitchens for extended stays in the townhouses.

Internet connection and local phone access are available in all rooms. There are also on campus laundry facilities, television rooms and outdoor patios.

The average cost is \$35 per night per person.*

The Speak Easy (on campus bar)

The Speak Easy is available to host any social gathering up to 220 people. It provides full bar and refreshment service complete with stage and outdoor patio. The Speak Easy can be used for post meeting gatherings, team building activities, entertainment and guest speakers.

The aesthetics and campus view, coupled with the tremendous amount of natural light, make the SpeakEasy the perfect place to host your wine and cheese, retirement parties, Christmas functions and other celebrations

We provide courteous staff and are able to help plan you entertainment needs.

The average rental ranges from \$75 - \$150*

*Costs are an estimated average and are subject to change.
