2018-2019 MEAL PLANS

Student Tips For The Meal Plans

- Explore different menu items and try foods from around the world
- Watch for meal combo options and value meals to help save money and eat healthier
- Limit the purchase of costly “energy” drinks, and sugary beverages, choose healthier options like re-fillable, fruit-infused “Spa Water” or juice
- Choose healthier substitutes to french fries, like fresh salads made with local Ontario vegetables or soups made from scratch
- The deli features in-house roasted deli meats for fresh sandwiches
- The salad bar offers you the variety of building your own salads
- Ask for alternatives if you have special diet considerations our Chef and Food Service Director will be happy to meet with you upon request, they can accommodate you on the meal plan
- Hot water is available in the cafeteria for no charge. Consider carrying a portable container for instant soups, noodles and hot drinks
- Shop our “Market” fridge for deals on staples and take home meals and soups that can be brought back to your residence and easily reheated.
- Budget a daily amount to spend... and stick to that amount
- Never lend your card out to anyone!

Meal Plan Basic Faqs

How Do The Meal Plans Work?

All Meal Plans operate on a declining balance system that is conveniently connected to your Student Photo ID card, so you don't have to carry multiple cards. Your Student Identification Card is your Meal Card! Choose and pay for a plan. Then every time you make a purchase from either the Morningstar Market & Eatery or the Tim Horton's, the amount of the purchase is automatically subtracted from your balance. You can view balance and the most recent transaction history online, anytime. This can be accessed via a direct link on the student portal.

Where Do I Purchase My Meal Plan?

Students living in residence can purchase their meal plans through the Algoma University student accounts office. Top ups and Flex plans can be purchased through the Morningstar office behind the Tim Hortons. We accept Interact, Master Card and Visa. For more information on purchasing any plan please contact the Manager in the Morningstar Office at (705) 949-2301 Ext 4650 or algomafood@morningstarhospitality.ca.

Can I Carry My Plan Forward Per Year Or Term?

Flex Plans never expire so you can keep on using it until you run out of funds. These dollars don't expire but we suspend the plan balances on April 30th, 2019 to protect your balance while on summer term. Simply reactive your card when you come back to campus at the Morningstar Office, our staff will be ready to help you.

Tax exempt Thunderbirds, Super Value, and Spirit Village plans do expire on April 30th 2019. Tax exempt balances must be over the required spending amount of **\$1255** to meet the requirement of a tax exempt plan. Balances over the required spending amount may be converted, by request, to a taxable plan at the end of the term or year end.

This is subject to a \$50 administration fee. Please note there are **no cash refunds on any meal plans**.

Example

Meal Plan Value per semester	Minimum Spend per Semester for tax free	Admin Fee	Possible Roll Over Amount
\$ 2300	\$ 1255	\$ 50	\$ 995
\$ 1700	\$ 1255	\$ 50	\$ 395
\$ 1495	\$ 1255	\$ 50	\$ 190
\$ 1255	\$ 1255	\$ 0	\$ 0

Residents living in the Algoma Dormitory and Spirit Village Dormitory are required to subscribe to a tax exempt meal plan. Off-campus and Spirit Village Townhouse residents are welcome to participate in any meal plan on an optional basis.
